M George Daniell

Lovers of ing muity health and happine !! . To thinke off Shorthal of follace of brunity of bravery and y teror of Eternity;

eeeeway >

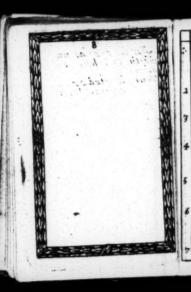

Simila wach our was to faster then mustick our fing an play, and fit me fores with ligh : then the thu stian with ong . Man is a bufy traiter full of plots diniers and de nes and his heart as of foole ores wanders toy ends of earth ; while douth froit are to meafure out theire graves lops about & world, and from theire vanitys puffs away m talls to weire first not And yet there is a doore of though in & mide of valy of ac specially if & bear on born lone In her wet hence laves, can but looke on herlover

The grinting of Pfalms in

haracters, has bone p es but nover fay this pette t ir ollal yet had it ross of excelency of Contract wast of this yaper an the knowledg in g art may use of this booke soone read rfectly and write it fwiftl Is for y utility ther of in oth parts of several where the that here the goft of is plaine to the Christian: but lockt up is the secrets of a Character, from & manifestion of a pagam and I could tallyou it brings

a vertuoi the minde wher in the foul om and knowledge but I noed for no more in the vindication of this art where the paines it falf is both profit and pleasure and the very work mages I know that some do enot alon of the Pfalms ; and what of that! the royall Sun , that every day re: leives this poore infe: rior earth has not the less of light, nor can dung hill on which he

thrower his brighter detract a beame his glory Gods quiras not the mans unworthy nor does devinit a dress of curiossi f any (hould alk n a I would not F be idle: I printed them, would have others well imployed wee cannot without industry, have the re ward of ingenuity no learneing is got with That I have subscribed your names, was not to help me out with the work but rather to re ifter your worth and If the world how much honour your vertues I feare not here the carping of the Critick nor the chuy of the ig: norant, for while I am doing good I am a little railed above this du hill earth: and methin my unsuported feete dance measures on light waves, therfore as I care forno praje so I feare no reproach but am as willing to Suffer the one: as unworthy to inherit the other your devoted Servat: I eremiah Rich.
